## Smart CEO Magazine Names Ted Rose Smart CPA for Third Consecutive Year

ROCKVILLE, MD, AUGUST 1, 2006— Rose Financial Services president, Ted Rose was named one of the Greater Washington area's top CPA's for the third-consecutive year. The July 2006 issue of Washington SmartCEO recognized top members in the field of accounting. Winners were chosen based on their leadership, both within their field and within the community, their accomplishments and their impact on the profession, their innovation and ingenuity in assisting clients and building relationships.

The Top CPA's were selected by the readers of Washington SmartCEO, members of the Maryland Association of Certified Public Accountants, and members of the Greater Washington Association of Certified Public Accountants. Criteria for selection included technical expertise, leadership, innovation, significant accomplishment, and relationship development.

"It is an honor on a list of the top CPA's in the DC Metro area," said Ted Rose. "When RFS coined the term 'Accounting Outsourcing' in the Washington Business Journal in 1995, I had no idea it would lead to this recognition by peers and clients. While the award is in my name, I must give the credit to the dedicated professional staff at RFS."
